Dear Valued Customer:

FMC affirms that its sodium bicarbonate does not contain, nor is it manufactured with, any Organic Volatile Impurities (OVI's). Based on our manufacturing practices, we have concluded that no testing is warranted, and that if tested, the product will be in compliance with the established standards of USP 30.

Please contact me at (307) 872-2271 if you have any questions.

Sincerely,

Steve Hickerson
